

The band is an enthusiastic group at Sycamore. It promotes spirit in the school and extends this pride to the community through its many performances and activities. The band plays at football games, the Fine Arts Festival, and graduation. In addition, the band performs in numerous parades, contests, and concerts throughout the area. Also, members participate annually in Perkin's Night and Tag Day to raise money for new uniforms and possible trips. The band continues to show its excellence having several members selected for Cincinnati Youth Symphony and others for All-State Band. Also, congratulations to the Green Band who received a superior rating at the district contest!
