

Variety Show

One night every year a few students with an unquenchable thirst for glory and recognition put themselves at the mercy of the rest of their peers. The 1986 Sycamore Talent Show was undoubtedly enjoyable, whether it was dancing, singing, or playing, the long hours of practice and preparation showed through. Yet, despite the quality of all the acts, only one act could win in each category. This year the winners in each category were clearly chosen for their ability and skill. Through the night, the Sycamore Talent Show turned out to be rewarding for the performers and enjoyable for the audience.
