This season was a learning season for the girl's J.V. soccer team. Having finished with an overall record of eight wins and nine losses, the girls were satisfied with their overall efforts because they were up against some very tough competition. Coach Danehy said that the new league, the E.M.L., was considerably tougher than any of the competition that the girls had come up against in the past. The J.V. defense has been considered one of the best in the city. Besides the excellent defense, the girls showed talent in the positions of forward and halfback also. Although the girls did not finish with a fantastic record, they did have a beneficial learning experience.
