The Aviator varsity basketball record was 11-10 for the 1985-86 season. The Sycamore team was certainly not as successful as it wished to be; however, there were a number of changes that were instituted. With the joining of the new league, the Eastern Metro League, the Aves finished second behind Withrow. The league record was 6-4, and all four losses were by a three point or less margin. Also many new teams appeared on the 85-86 schedule, Purcell-Marian, the defending state champions, Centerville, Roger Bacon, Norwood, and Walnut Hills. Kyle McKenzie and Greg Wilfong were named All-EML. Mike Brumfield was honorable mention EML, and Doug Neeley was given the Mr. Aviator Award.
