The Varsity Lady Aves tied for second place in the Eastern Metro League maiden year, with the outstanding play and leadership of EML Player of the Year, Cathy Shipley. The Lady Aves finished with an 11-11 record, certainly not what the team had hoped. But this season was highlighted by some thrilling victories against Forest Park and Talawanda. The game versus Talawanda was capped by a 27 point surge by the Lady Aves, a much better representation of their ability and determination than their record.
