The J.V. Lady Aves finished their season off with a 11-9 record. Some of the more exciting games included a 4 point overtime victory over an undefeated Forest Park team. The team challenged the league champion team, Milford, coming up short by 8 points in the first game and 1 point short in the second. Overall the girls improved and played rather well together as a team. All players had a great year, and Marci Wexler, Dawn Lowish, and Chanda Titus were all honored by the team with awards for their excellent contributions.
