Among their other numerous wins in several tournaments, the result of their hard work could be seen in their winning of the Sycamore Invitational. This particular win can be considered the first outright championship in the 17 year history of the tournament. Individual achievements include the doubles team of Brent Rolli and Anthony Yates capture of the district championship and qualification for the regional and state meets. Seniors Jon Moffitt and Steve Boomershine were the doubles runner-up team. Jay Acdel finished third in the district. All five players mentioned were qualifiers in the state and regional tournaments.
