**A lot of time is spent on each float.** Student Council members and other students take lots of pride in the floats, especially with all the hard work and hours spent working on them. It is a lot of fun to see the floats, and it really pumps up the student body.

**The new mascot was a hit, especially with the cheerleaders.**

Having a visible "Aviator" was a lot of fun for students, and **Alyssa Molnar, 12**, gave the SuperFan a super high five. He was present at every pep rally and big game, and all eyes were on this mascot.
