Spring break

By: Kim Doris and Shaili Ryan

EACH WINTER THE CALENDARS COME OUT AND THE COUNTDOWN BEGINS, it is months away from spring break. School let out Friday, March 29th. The students enjoyed a week long vacation at various destinations. Whether it was Colorado to hit the slopes, the sun at the California beaches, or

a kick back week in good old Cincinnati, it was a well needed break. Many students also hit various areas in Florida and got the opportunity to see the beauty in Cancun, Mexico; making these the two most popular vacation spots. The students sadly returned to class April 4- and the countdown resumed until the freedom of summer arrived.

MUSICAL REHEARSAL. Spring Break for over 70 students was spent on stage at school. Jonathan McPike, 12 Sammy Kanter, 11, Mandy Weger, 12, and Amber D'Souza, 11, practice a scene from the story *Jack and the Bean Stalk*. Turn to page 182 for more on the musical.
