

Sarah Richards

We love and miss our cute little baby
but admire and adore
the woman she has become!

Love,
Mom and Dad

Sarah Richards

Sarah,
We welcomed you into our hearts (especially when Mom told
us we couldn't return you to the hospital!)

We watched you grow
from a cute little baby
to a real babe!
How did you get to be
taller than us?

Love,
Doug, Robin & Meredith
