## Shopping with Erin Minix

- q:** What store do you shop at the most?
- a:** I love shopping at Forever 21. They have really cute clothes and I really like their style.
- q:** Which do you like better, Hollister, Aeropostale or Abercrombie and Fitch?
- a:** My favorite out of the three is Aeropostale. Because they sell a range of things, from jeans to sunglasses. Their styles are cute and the clothes don't cost that much.
