

STANDING UP AT HOME PLATE, IT IS THE BOTTOM OF THE NINTH, IF YOU GET A HOME RUN, YOU COULD WIN THE GAME FOR THE TEAM.

Pressure like this does not bother these new freshmen, they have each other to always cheer them on.

"We always cheer for each other no matter what," said **Kristen Holthaus, 9**.

Team bonding is what keeps these girls on the right track throughout the season. The junior varsity girls are really into the game. Also, the freshmen made many different cheers such as their famous pregame ritual, "Yee-Haw." These girls know how to have fun, they

are constantly playing games on the coaches. From the start the freshman got in the game and knew how to have fun no matter if they won or not.

"After getting a position change, I was able to adapt and learn everything about it," said **Lisa Ramsetter, 9**.

Many of these girls say that they have been playing since second or third grade, at first some say that they did not enjoy it, then they learned to love it. Coming into a sport as freshmen, these girls had no doubts, they got on the field and played ball!

The JV team had a great year, and they worked really hard, they even supported the freshmen.

The JV girls say that you can have a great team, but without team bonding you are less likely to have a great time! Both teams showed a terrific amount of effort to be great players and to be loyal and fun teammates.

Even in the hardest situations these girls never gave up. In the freshmen loss against their hardest team, Fairfield, their second game played against them they cheered up and lost again but this time only by one. This was an accomplishment because the Fairfield team was undefeated!

Just goes to show you that a little teamwork goes a long way!

1. Run Run Run!- Rachel Myer, 9, waits on the base as her team mate runs the bases!

2. She is SAFE! Sarah Lapin, 9, slides the bases on to home plate!

3. Run your heart out! Lauren Kahn, 9, runs for dear life to get to the base.

4. A Foot away. Jackie Roesch, 9, just makes it to home base without getting out!

1. Coach Knows Best. Coach Lindsey Farroh helped her team practice and prepare for the game. She had them run a few plays and hit a few balls to get them pumped up and ready for the game.

3. The freshmen team huddled up for the pregame ritual of chanting "Yee-Haw!" This is just one of many team bonding activities this team has. For these girls team bonding is what keeps them cheerful and happy throughout any game, win or lose.
