

1. **Smack! Zach Barsman, 10**, whacked the ball with all his power. The ball went over and scored the boys another point! 2. **"Good Game!"** After each game the team stays on their side of the net to leave on a good note. This helps take away the tension between the two teams. 3. **Group huddle!** During each time out and before the games the boys gather around with their coach to shout something. This always helped the boys get pumped for the game!

1. **Quick huddle for a quick change in play!** The boys on the court join together for a short minute. Before they get back to the game, they shout "TEAMWORK"! 2. **Using the perfect move!** Very lightly, **Todd Juran, 10**, gives a special touch to the ball. Thinking with his head while he used his hands and moved his feet he always was able to get the ball over the net. 3. **Always time for a quick laugh!** After the boys finished a play, **Mark Schibler, 11**, **Tim Gaulty, 10**, and **Todd Juran, 10**, joke with one another! They thought a move made by the other team was hilarious!

**"Overall we had a really great season. I hope we can get better and better for the next couple of years," Brad Elkus, 10.**
