What's your party style?

1. Break it down for us: How many days of the week do you go out?

- a. Three to four: Everything in moderation, right?
- b. One to two: You're too exhausted from school to hang during the week. Plus, you just can't miss *Buffy* and *The Real World*. Oh, and the Thursday night lineup....
- c. Five to seven: Only losers sit at home alone

2. How often are you the party dictator? (As in, telling everyone where the party's at, and when to show up!)

- a. You usually suggest a few options, but let the group decide.
- b. Rarely. Let them deal with it!
- c. Always. But you always have the best ideas!

3. Ever miss curfew?

- a. You've had a few close calls.
- b. No. As far as your parents are concerned, the car turns into a pumpkin at midnight.
- c. Too many times to count. But you've got too many excuses to count, too.

4. So you're one of those lucky types — your parents have a social life! Ever take advantage of it and throw a party while they're out on a Saturday night?

- a. Sure, a couple times, but you kept the invite list small. You were in control the entire time.
- b. Never. Your mom's got plastic on the furniture, OK? She would know in a *second*.
- c. Um, *yeah!* That's why you were grounded all last month.
