I thought it was a tragic event that such a psychotic person would shoot random people,"

-Steve Kramer, 10.

Everyone was affected by the Sniper. These ten lost their lives. This was a tragic event traumatized the entire country.

# Fear hit us again

## How were you affected by the sniper ?

"I thought it was scary," said **Jenny Reinhart, 9.**

"I thought it was like kinda scary. My life felt threatened and I did not feel safe in my own country for the first time in my life," said **Nick Egloff, 11.**

"I thought he was really bad and stupid. He was scary because he could have come here and shot me," said **Kerra Sampson, 10.**

"I didn't know quite what to think because after 9/11 I would have never thought someone of our own country would turn on us like that," said **Mike Rosa, 11.**
