"My dad was really excited to come in, and he had a lot of fun serving my friends," Kelsey Dewald

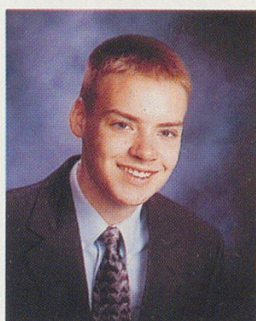

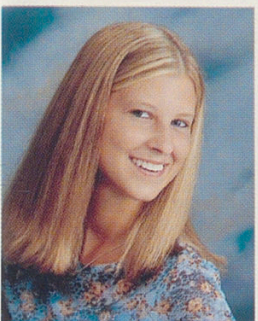

## Dads Time to Serve it Up

By Mandy Hauser

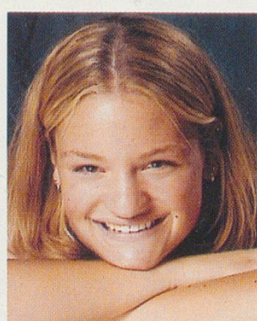

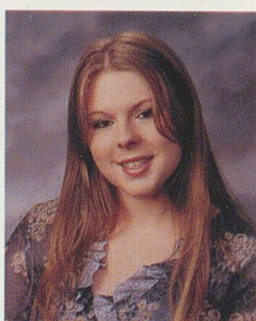

**Dig in!** Guy Ben-Hur, and Geoff Schwartz, join in the fun at Dad's lunch. About 20 fathers came in to serve hot dogs, hamburgers, cookies, brownies and more. The dads stayed for all three lunches and you could tell they brightened the students day- especially the ones that were found bolting from their classes to the lunch table.

**So many choices!** Alison Leonard, looks over her selections for lunch. This lunch was a time for seniors to kickback, relax, and enjoy being served for free by their dads. The fathers really went all out to make it seem like an old-fashioned picnic, with a red and white checkered table cloth, and silver serving trays.
