

Stop Watch: 6th Bell

October 31st, the day finally came. Seniors had anxiously waited for Halloween since their freshman year in order to dress-up to celebrate this holiday. Seniors were seen in the hallways throughout the day in their amazing costumes.

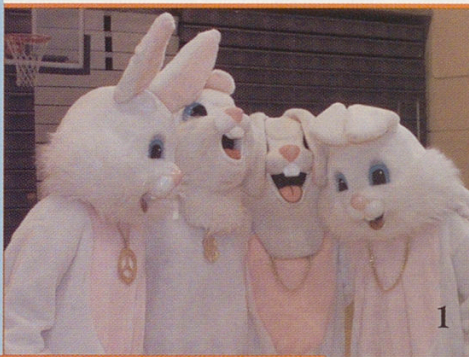

"It was fun to see all my friends dressed up and all their creative ideas," said **Emily Doan**.

Bell after bell seniors went to their classes and observed each other's costumes and had difficulty concentrating on their learning. Their day concluded in the gym during 6th bell for the competition. Everyone had a chance to show off their costumes to the judges as an individual participant or a group participant. The winners were endless in different categories, and they won gift certificates to various places around town.

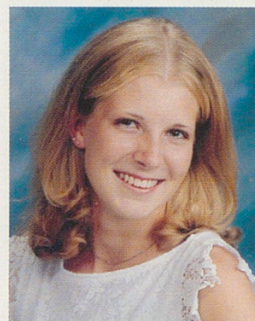

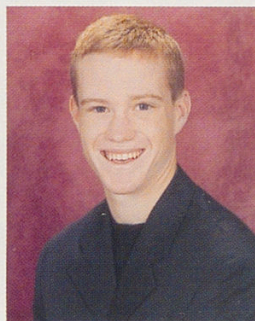

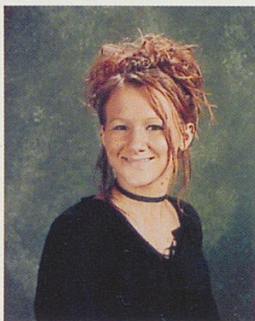

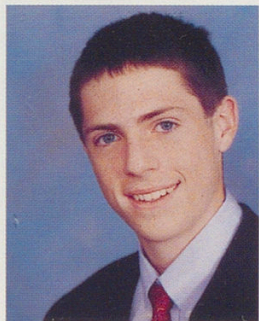

"It was the greatest achievement of my senior year," said **Jon Trotta** who was dressed as a singer from *American Idol*.

Overall the seniors had a great time during this day and loved showing off their creativity in their costumes.
