

Earned Recognition

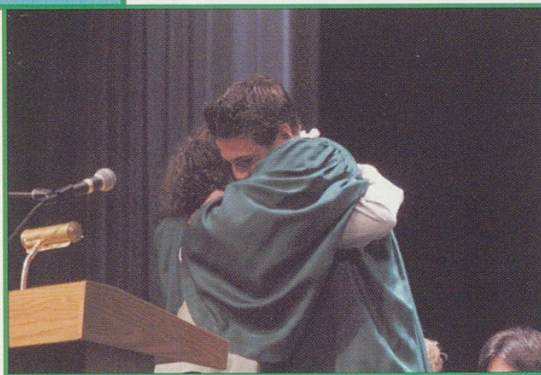

The time has come. The seniors gathered together on May 29th, for one of their last times. The class, as a whole, accomplished many things throughout their years in high school.

A big accomplishment. Bethany Hauser was presented with the United States Military Academy Appointment award. Hauser has always dreamed of going into the army and received two offers from different academies. She will be attending West Point in the fall.

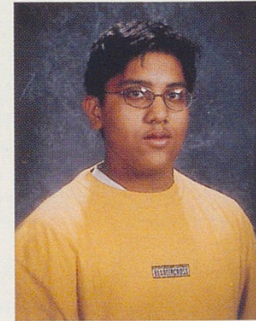

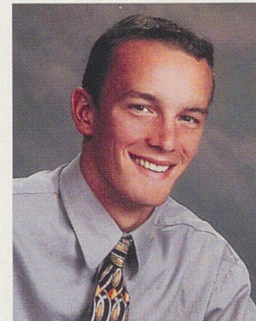

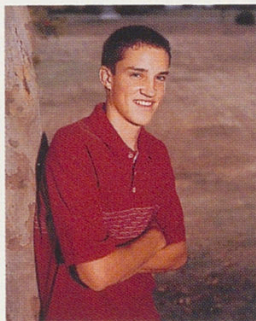

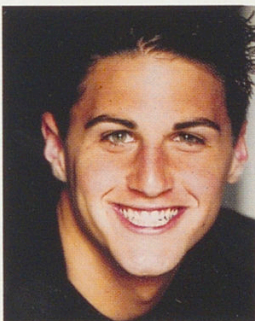

An unexpected surprise. Geoffrey Schwartz received the Monica Kuchmar Memorial Scholarship award given by Kuchmar's sister. Schwartz was one of Kuchmar's close friends.
