

Becky Garrison-Miller

Congratulations Becky!! We watched you with pride as you have grown from our little girl in that first day care class.

We've treasured each passing year and each step forward. This year's graduation is your biggest yet.

But we know that you're just getting started. You know what you want in life (can anyone say soccer?), and we all know that you can achieve anything you set your mind to (even if it is water skiing parallel to the surface...)

We'll always be here for you. Nothing gives us greater happiness than supporting you in reaching your dreams, goals and sharing in your successes.

All our love - Mom & Dad
