

October 9—U. C., 0; DENISON, 14

Cincinnati met Denison at Granville in the former's first game on foreign soil and, as is usual when these teams meet, the Bearcats came back on the short end of the score. The Baptists scored in both the first and last quarters, while they stopped the Bearcats cold on the several occasions that Coach McLaren's charges threatened.

Cincy played a better game than against Otterbein, but she was pitted against a much stronger team. Denison's superior passing attack and punting were the chief differences between the two teams, Varsity playing her opponents even in every other respect.

"Stump" Fischer, who replaced Bill Gervers at fullback early in the game, was Cincinnati's only consistent ground-gainer and won a regular berth on the team by his great work against the Baptists. The showing of most of the other Bearcat ball-carriers was disappointing. Dost and Starick played consistently good ball at the guard positions. DeMay, at end, was Denison's most brilliant performer, while Mason, Stubbs, and Owens bore the brunt of the victor's offensive work.
