

# Co-Ep Club

## OFFICERS

ETHEL WISE.....	President
GEDGE HARMON.....	Vice-President
OLGA KNOCKE.....	Secretary-Treasurer

The Co-Ep Club is an organization whose members are women students in the Applied Arts and Engineering Colleges. Through the meetings of its auxiliary clubs, the Chem-Commerce Club for Engineering girls and the Applied Fine Arts Club for Applied Arts students, a greater social intimacy and a closer student relationship are created.

The joint social meetings are held in the fall and spring, the latter a banquet given for the graduating members of the organization.
