Pour apprendre le français il faut le parler. This above all is the purpose of the French Club organized many years ago at the University. The Club furnishes opportunity for those wishing to speak French, and as an aid to those who wish to increase their acquaintance with the language.

The French Club Play is the outstanding event of the year and is under the direction of the faculty members.

The purpose of the Sociology Club is to promote fellowship among its members, and make possible a study of questions and problems of special interest in the field of Sociology.

Students majoring or minoring in Sociology are eligible for membership, as are also faculty members of the department.

Supper meetings, discussion groups, and tours to social agencies are held by the members, and speakers of special interest are frequently present.
