

The youth who in their youth believe  
That they must give if they'd receive  
Should now begin a basic plan  
To *earn* the term, "Successful Man"  
By capitalizing first, himself,  
His skill, his learning, all the pelf  
That has been spent on education  
That he may honor any station.

Good Life Assurance holds the lead,  
And never failed in time of need  
The best e'er given since the Ark  
You get by telephoning Mark.
