

Here's a Real Friend

More than one have passed up a Frat Dance because the necessary Tux didn't seem to materialize, while the girl sailed away with the other fellow.

Salting a few dollars away in the bank is smart business. A Savings Account is a real friend that will never throw you down. If you "earn as you learn," make a bank deposit a pay-day habit.

If yours comes to you in the form of an allowance, a checking account is a handy little thing to keep expenses down.

A dollar starts a saving account at 4% interest.
