CHOOSE YOUR PIANO AS THE ARTISTS DO

PIANOS, like people, should be judged by their companionships. So when the world's most renowned artists, such as Gieseking, find the Baldwin Piano, "Not a thing of wood and wires, but a sympathetic and an understanding friend," its undoubted superiority of tone and performance becomes apparent even to the uninitiated. ¶ Why not judge for yourself? Play or hear demonstrated at our display rooms, the chosen friend of the greatest artists—the Baldwin.

By appointment if desired
