MESSU GORAB .....	President
ETHEL TODD .....	Vice-President
BERNICE SWARTZ .....	Secretary
HELEN REWWER .....	Corresponding Secretary
CHARLOTTE LIGHTFIELD .....	Treasurer

**T**HE purpose of the Varsity Art Club is to promote an appreciation of art among students of all the colleges. The club meets once a month, at which time talks are given by prominent artists of the city. Social gatherings are held after meetings and a social affair once a month. Annual events, a gift shop held before the Christmas holidays and a costume ball were very successful. Another annual event, a spring exhibition, is held early in May, thus giving students a chance to exhibit their work. Sketching hikes in the spring are also planned for this year.

The club is rapidly growing and becoming more active, and it is hoped that its services to the University will also grow.
