

The College of Medicine

OFFICERS

David Steiner.....	President, '29
Thomas Sharky.....	President, '30
Dan Early.....	President, '31
Richard Bryant.....	President, '32

OUR parting thought is one of gratitude to those who have made possible our education, and to those whose devotion to the ideals of medicine has been our inspiration.

We trust that our great obligation may in some measure be paid in conscientious service to humanity.

DAVID STEINER, President, '29.
