THIS year marks the organization of the White Caps, the purpose of which is to further interest and activities in swimming. It sponsors, together with the Red Cross Corps, all swimming meets between the various League teams. At meetings, its members are given special coaching, and water games hold an important place in these sessions. All this training leads up to a climax in the spring, when the White Caps present a water pageant, and show off all their tricks.

Membership is granted to those who successfully complete the following test:

1. Swim one hundred yards, using same stroke in good form the entire distance, with moderate speed.
2. Demonstrate three strokes, with good form in each.
3. Tread water seven minutes.
4. Give a plain front dive in good form from the board.

Thirty-five girls passed the test this year, and it is hoped that the Caps will enlarge their organization next year, and achieve their purpose.

Let 'er go!
