WITH all dignity and pomp the annual Martial Hop starts out with a boom, reminiscence of cannons in the late war. Tall and stately young officers accompanied by damsels of a beauty so rare that it calls to mind the exquisiteness of orchids, trod stately measures to perfect waltz time.

The ball this year presented an unusual feature, the establishment of a new tradition on old McMicken's campus, for the first time an Honorary Colonel was presented. This was followed by the selection of upper classmen for membership in Scabbard and Blade.
