TROMBONES

Slide

into popularity with a
moaning Trombone, but
be sure to buy an instru-
ment with perfect tone
and easy sliding action.
That's one reason for the
big success of Wurlitzer
Trombone players.

WURLITZER TRUMPETS

Here is one of the
most remarkable val-
ues we have ever offered
in a genuinely high-grade
professional trumpet. This
trumpet is so easy to blow and
has such wonderful volume and
tone that it is being used by many
professionals in the very finest
symphony orchestras and for other
professional work where none but
the best instrument could be con-
sidered.

TRAP DRUMS

\$25 up

Outfits which calls on the utmost nimble
talent of hands, feet and head, costs but
\$25—others range from \$30 to \$90—and if
you're in doubt ask the lad who drums one!

WURLITZER
SAXOPHONES

Say, fellows—and girls, too!
Do you realize that with one
hour's practice you can play
the scale on one of these fine
Wurlitzer Saxophones—and
that with one or two weeks'
practice you will be rippling
off popular airs? Others are
doing that—and so can you!
