THE MEN'S APPLIED ARTS TRIBUNAL constitutes the student governing body in the School of Applied Arts. It is composed of representatives from each of the four upper classes, the Vice-President acting as freshman representative.

Its purpose is to maintain student discipline, to represent the students in their relations with the faculty, and to regulate and co-ordinate the student activities of the school.

Included in its activities are the annual Applied Arts Stag and the annual spring exhibition of the school of Applied Arts.
