**A** MUCH improved Bearcat team played against the Louisville Cardinals at Louisville. They still seemed to lack the necessary punch, however. The low score gives no indication of the superiority of the Red and Black over the Cardinal. Cincinnati so completely outplayed Louisville that not once did they threaten. The Bearcats received several bad breaks when two long runs, one a touchdown, by Climer, were called back because of a Cincinnati holding. Two in the Bag! Looks good, doesn't it?
