THE BEARCATS went up to Springfield to do battle with the Lutherans and considering the fact that they were the under-dogs emerged with a moral victory and all but had a real win. The Cincinnati line fought like true bearcats, with Peele outstanding. This boy, if he keeps up the great work, is destined to make quite a name for himself. There were two other outstanding features of the game—Goldmeyer's punting, which kept the Bearcats in the game throughout, and Bursik's run of ninety-five yards to a touchdown.
