THE less said about this game the better. Starting a second-string team, but jerking them at just the right time, Wesleyan caught the Bearcats off their feet and the Bishops rode rough-shod over them. The Cincinnati team was completely outclassed and once Ohio got started scoring there was no stopping them. However, place must be found to say something of the work of Peele. This boy alone stood out for the Bearcats. He would be a credit to any man's team.
