THE 1929 HOCKEY SEASON opened with a great show of enthusiasm on the part of freshmen as well as upper classmen. This pep, was, however, soon drenched, due to the rain which seemed to keep right up with the schedule. The games were postponed until they could be put off no longer and finally played in a field of slush and mud.

The plan, which went into effect last year, of having league instead of class teams still continues, thus solving the problem of "a team for every girl." A great deal of league patriotism is shown which makes competition quite exciting.

At the end of the season two teams composed of the most skillful players were chosen. An exhibition game was played and an "all-star" team was picked. At a W. A. A. banquet those on the honorary team were awarded with Hockey chevrons.

For playing in three-fifths of her league-team's games a girl receives seventy-five points toward her W. A. A. letter. The team consists of:

R. Brock	M. Gillette	G. Richmond
V. Ebert	C. Hoy	B. Rule
A. Eagen	N. Meier	B. Smethurst
J. Foster	R. Oexman	N. Wickerham
	C. Witte	

HONORABLE MENTION

Jean Valentiner	V. Balastra
V. Pettit	L. Twachtman
