## Hotel Gibson March Fifteen

Starick

THE GIBSON BALLROOM in all its splendor --- softly colored lights --- strains of a jazzy orchestra --- the animated laughter of pretty ladies --- the continuous hum of conversation --- fragrant flowers --- novel and attractive favors --- more music, then a sudden quiet --- the Prom Queen appears --- congratulations ensue --- dancing continues --- stags cut in --- then the break of dawn --- tired but happy couples depart --- silence steals over the ballroom --- a huge success --- the Junior Prom.
