

# Minutes of Sorority Meetings

## DELTA DELTA DELTA

Supper meeting. Layer absent. Keller announced that she was now rating again as she was going to the Sigma Phi Eta dance with the president of the chapter. Layer walked in and was greeted with the shout "Where have you been?" At this she ran to the mirror and, fixing her hair, asked "Why?" After an hour or so meeting was called to order with Keller and Wilson in the kitchen washing dishes. Wilson remarked that second semester pledging was hell with no pledges to do flunkey work. Gregory said that all her activities had been in vain since Walker got the Geneva fellowship. Miller suggested that something be done about the situation in the Cincinnati office as there were only four Tri Delt editors. Rule volunteered to give jobs on the News to any sisters who had no place to bum. It was voted to accept the offer as the place was being filled up with Kappas and Thetas. Meeting was adjourned so that Layer could finish her date.

## ALPHA GAMMA DELTA

Opening of meeting found Sister Walker teaching Sister Lueders the Mystic chant. Sister Lueders wired Sister Davies in St. Louis to prepare an acceptance speech for the future president of W.A.A. Sister Walker remarked that the chapter was paying too much attention to athletics and suggested that they start training some more Geneva fellows. Sister Rump announced that she was going to be married and the meeting was adjourned to look over the unfortunate man.

## ALPHA DELTA THETA

Meeting dropped open. The president called for a list of chapter activities. By 11 o'clock Sees had gotten half way through hers and the meeting was adjourned until the next Monday night.

## ALPHA OMICRON PI

Sister Hollenberg remarked that although the tong was yet in its infancy on the Cincinnati campus that they really have something to brag about while she was in school and besides they had a good alumna organization. It was suggested that taxicabs be sent after the rushee for the formal meeting adjourned to consult Zumstein low rates.
