## The Senior

*To songs and cheers and Alma Maters*

*To eight-o'clocks and quizzes*

To collegiate musical comedies and double-decker beds, to undergraduate journalism and undergraduate sophistication, to Y tea dances and campus politics, to stolen moments at Mt. Storm, to botany field trips, to honorary fraternities, to football, basketball and track, to required Math and English courses, to the Commons and to Shipley's, to co-eds and co-ops, to Vigilance Committees, to carefree hours, to midnight cramming—the senior bids farewell.
