

## U. C. 20 — Miami 0

Thirteen thousand four hundred and fifty-three spectators, a crowd unprecedented in number and spirit found its way into Nippert Stadium to watch Coach Dana King's Battling Bearcats defeat Coach Chester Pittser's Miami Redskins to the tune of 20 to 0 on a perfect day for football, the best the two teams had in the last eight years of their annual struggles. It was the combined efforts of several interested groups of Cincinnatians, especially those of the U. C. Boosters, that this immense crowd turned out to watch the gridiron classic of the season, the proceeds of which were turned over to the Unemployment Fund of Cincinnati. To the Cincinnati Newspapers which gave unlimited space to the advertising of this game, much credit is due for the realization of over \$18,000 for the aid of Cincinnati's needy.

Into this setting came a new-day team of Bearcats—an aggregation boasting speed, smartness, power, impregnability, and confidence. Maintaining the pace they had flashed in their two previous games against Denison and Heidelberg, the keen Bearcat unit played Miami's Redskins off their feet on the offense, stopped them effectually on the defense.

With a scintillating passing attack, a diversified running and plunging threat, and fine blocking, punting, and tackling, Captain Goldmeyer and his stalwarts brought joy unconfined to the hearts of Cincinnati's backers. To those who had known Cincinnati's doormat teams of recent years, to those who prayed devoutly but without effect for something better, Thanksgiving Day delivered solace in wholesale quantity.

To head coach Dana King, line coach "Red" Woodworth and the little-publicized, yet highly efficient end coach, "Red" Halliday, must go volumes of acclaim. Their charges on the field mirrored beautifully the excellence of their instruction.

Cincinnati opened the game by kicking off to Miami who punted after failing to gain. Sidinger returned the kick to U. C.'s forty yard stripe. The Bearcats attempted a pass which was intercepted. The Redskins tried a passing attack which failed, and on the fourth down attempted a field goal from Cincy's twenty-three yard line. This failed also. The Bearcats took the ball and after an exchange of punts Metz received a pass from Goldmeyer to bring the ball on the Indians' thirteen yard marker. The ball was advanced to the six yard stripe as the quarter ended. In the opening of the second quarter, Gilliland hit the line for the marker. Metz missed the kick for the extra point.

The Bearcats were again on their way for another touchdown in the same quarter. Gilliland went around right end on a fake kick for a large gain, and then Lunsford took a pass that was good for ten more yards. On the next play Williams received a pass which placed the ball on Miami's four yard line. Gilliland took the ball over on the next two plays. Metz kicked the extra point, making the score 13 to 0 as the half ended.

In the third quarter the Red and Black pulled the surprise play of the game which was perfectly executed. Goldmeyer shot a nine yard pass to Metz who in turn tossed it laterally to Gilliland who went around right end for twenty eight yards and the final touchdown which cinched for U. C. a tie for second place with Ohio Wesleyan in the Buckeye Conference.
