A very successful hockey season has just been completed. This year a Hockey Institute was conducted under the auspices of the W. A. A. by Miss Cecily Warner, English Hockey Coach and a member of the all English Hockey Team. Miss Warner instructed approximately fifty girls. The institution aided greatly in showing the freshmen how to play hockey, and in helping the upper classmen to perfect their technique.

At the end of the season any girl who had participated in hockey was eligible to take a skill test. From those competing, the following girls, comprising the honor team, were selected and presented with Hockey Emblems:

Mildred Gieringer	Beatrice Elston
Clover Hoy	Olive Ewan
Ann Eagen	Jane Bryce
Elsie Bathianey	Adele Berger
Violet Balastra
