Sophomores IRENE DIECKMAN
Freshmen HELEN PHILIPPS

The swimming program for the year has consisted in two league meets, two class meets, and a games meet. The interest and enthusiasm with which swimming as a sport has been received, has created keener competition than ever, between the various league and class teams.

Whitecaps, an association for experienced swimmers, has been reorganized and meets the first Tuesday of every month. Membership consisted in passing a prescribed swimming test. It is a purely social club, the purpose being for the enjoyment and pleasure derived from the sport.
