

*Nineteen-Thirty-Two*

For Old McMicken's fame — how many errant students has this portal seen? Our unsung heroes — Sipple and Parker. Beall of "Bull Session" explaining women to Hoch. Burkhardt on the run — keep it up Fred. Peters and Durbin continue to coax the lion. Andrews and Andrews of "Andrews-Greene-Andrews" fame. Ever onward and upward — the glider club. A soothing scene after a four o'clock, a beautiful, fiery red sunset across campus.
