

*Torch and hammer,  
Skull and bones,  
Sigma Sigma,  
Hear our groans.*

Sigma Sigma, upper-class society at the University of Cincinnati, was founded in the year 1898. Its purpose is to foster college spirit, and to enhance the glory of the University of Cincinnati in the college world. The members are chosen on their merits alone, and without regard to fraternity affiliation. Sigma Sigma is strictly a local society, and will remain so; as its most important function—that of teaching loyalty to the University of Cincinnati by giving unselfish service to the Alma Mater—can best be performed as a local organization.
