

Varsity Pledge Dinner

The Freshman Work Committee of the "Y" plans a program each year to bridge the gap between high school and college, to acquaint the new students with the many phases of college life, to give social gatherings for them, and to train leaders for the coming years in college. The Freshman convocation and dance in the Men's Gym was followed by a Student-Faculty Smoker and Open House at the "Y." The Varsity Pledge dinner and the Freshman Council itself were the two biggest projects of this year.

University Y.M.C.A. Freshman Council
