In accordance with its democratic policies, the Household Administration Club extended a cordial welcome early in the fall of 1931 to all students of the School of Household Administration who desired to become members of the organization. To assist Margaret Ann Fox as president, and Virginia Fahrenbruck as treasurer, a number of contact committees were appointed to promote interest in the work of the club.

Since the club has established a precedent with its annual May Day luncheon for high school seniors, the efforts of the entire club are called upon throughout the year by the Ways and Means Committee, Food Committee, Poster Committee, and Program Committee to insure the much desired success of this undertaking. In addition to this the meetings throughout the year are most interesting with a speaker at one meeting and an original contribution by different departments of the school, at another.
