The University of Cincinnati Student Branch of the Army Ordnance Association was installed in the summer of 1931. The purpose of the organization is to foster a closer relationship between the students in the Ordnance department and in the R. O. T. C. as a whole, and to acquaint Ordnance students with the functions and activities of the Ordnance service.

Membership in the Student Branch is composed of students in the Ordnance branch of the R. O. T. C. who are actively interested in the development of modern ordnance.
