The Religious Council

The Religious Council of Our Lady of the Angels High School has been steadily progressing during the five years of its existence. This year, due to the fact that every member has put forth her very best efforts in all undertakings, the activities of the Religious Council have surpassed those of previous years. Numerous activities have been sponsored by the Religious Council, as can readily be seen in the following outline:

CATHOLIC STUDENT MISSION CRUSADE:

The C. S. M. C. played an outstanding part in the Religious Council this year. Meetings were faithfully held every month, at which the class representatives gave a report of the work done by the respective classes. To be sure, the reports were always gratifying. Enthusiasm never died out. The weeks before Christmas were very busy weeks for the C. S. M. C. workers. After sewing, knitting, pasting, cutting, patching, etc., many boxes were packed and sent to the Missions in the Southwest and West, and to the Negro Missions of our city. Foodstuffs were also gathered and baskets were sent to the needy families of our city.

Besides this, over fifteen thousand pieces of Catholic literature were gathered during the course of the year and sent to hospitals, homes, asylums, etc. God only knows the good that this distribution of Catholic literature has done.
