

## Vif Musicians Club

Our Vif Musicians Club has been "Up to the Minute" in all its activities. The P. T. A. members enjoyed musical performances given each month by Vif members. The third annual Yuletide dance, sponsored by the Club, was a great success and an outstanding affair. A good time was afforded all.

The services of the Club were requested by the Cincinnati-Oldenburg Club, Catholic Charities Association, Affiliated Churches, Public Recreation Commission Bureau of Cincinnati, Lockland Business Men's Club, Catholic Women's Club, International Federation of Catholic Alumnae, and the American Legion organization of St. Bernard, Elmwood, and Wyoming.

The Vif members were congratulated by Mayor Russell Wilson for the fine showing made at the Hobby Fair. We quote the following from a letter received from Miss Mabel Madden, Secretary of Girls' Week Committee: "The Hobby Fair Committee appreciates immensely the services of the band and orchestra. We realize the opening of the Hobby Fair would not have been so spectacular, and the Mother-Daughter Luncheon not nearly as enjoyable, without your band and orchestra."

Girls, keep alive the "Up to the Minute" standard of 1932-1933 by being active members of the Vif Musicians Club.
