GIRLS' ATHLETIC ASSOCIATION

To stimulate interest in athletics at Our Lady of the Angels High School, the girls organized themselves into student leadership activities, this to insure a more whole-hearted co-operation between the students and the Physical Education Department. Last October a representative from each class was elected and G. A. A. was established. The purpose and ideal of the organization is the provision of a diversified program of athletics to reach the interests and abilities of all the students.

With the ideal of "Athletics for all, rather than for the few," interscholastic competition was abolished, and in its place a program was inaugurated in which any girl could participate and receive the "honor award."

A point system was devised to insure the equitable awarding of the school letter. To receive this award, the girl must have earned 1,000 points in her four years at Our Lady of the Angels, in the activities offered in the intramural program. The following is a list of the activities and points:

Volley Ball Class Team	50	Horseshoes	25
Volley Ball Honor Team	25	Tennis	25
Basket Ball Class Team	50	May Folk Dance Festival	
Basket Ball Honor Team	25	(Freshman)	25
Center Ball Class Team	50	Hiking (100 miles per year)	50
Center Ball Honor Team	25	Swimming (two-thirds of meets)	50

In order to raise money for the Athletic Fund, the Halloween and Washington Birthday parties were sponsored by the G. A. A.
